# REVIEW AND MATCHMAKING

## Review Process

1. Host companies provide jobs detail (such as quota and description).
2. Online application  
(According to preference card filled by trainees, the number of offered positions will be modified)
3. Host companies select the qualified candidates and invite them to 3-day training camp

## Matchmaking

1. The trainees deliver the application form
2. Interview with companies
3. Announcement of the final enrolling list
4. Apply for subsidies
